

October 22, 2025

Dear Valued Customers,

It is with a heavy heart that we inform you that **Countryside Pharmacy** will be closing its doors permanently at the end of the day on October 31, 2025.

This was a difficult decision to make, but after much consideration, Anne has decided that it is time for her to retire after being an active pharmacist for over 45 years. We want to thank you for your loyalty and support throughout the past 24 years. It has been a privilege to serve you and the Savannah community and beyond.

To ensure a smooth transition for your healthcare needs, please note the following:

Your prescription records:

Your prescription files and patient records will be securely transferred to **Savannah Family Pharmacy** at **205 S US Highway 71 here in Savannah, MO, (816) 324-4211**. Your records will be accessible there beginning on **November 1, 2025**.

We encourage you to keep your prescriptions with Troy and his staff at Savannah Family Pharmacy. They will give you the same excellent service as we have strived to provide. Please consider keeping your business local. **You do not have to do anything if you stay with them.**

If you wish to transfer your prescriptions to a different pharmacy:

- You can choose any pharmacy you wish to continue your care. Simply provide them with our contact information, and they can arrange for the transfer of your records.
- Please plan to have all prescriptions transferred before **October 31, 2025** if you want us to do so.

Final pickup:

Please pick up any pending prescriptions by **October 31, 2025**. We are committed to making this transition as easy as possible for you.

We extend our sincerest gratitude for allowing us to be your trusted pharmacy. We have cherished the relationships we have built and will miss you all. We wish you and your families the best of health.

Sincerely,

Anne Barr Rph

Owner
